Oconomowoc, WI – Neumann Developments, Inc. has completed a land acquisition of approximately 250 acres in Oconomowoc's Pabst Farms and will be developing four distinct neighborhoods within the Pabst Farms master planned community. Lake Country Village will include three unique single family neighborhoods with approximately 300 home sites and Interlaken Village will offer 26 estate sized lots. The design will include at least 110 acres of permanently preserved parks and open space for residents to enjoy. Neighborhood amenities will include five miles of walking and bicycle trails, children's play areas, outdoor swimming pools and fire pits.

Bill Niemann, Executive Vice President of Pabst Farms Development says, "[Pabst Farms Development](#) is pleased to be working with Neumann Developments on the next phase of our residential development. We have worked with Neumann in the past and firmly believe that they are a good fit for our vision. They are devoted to preserving permanent green space and building a quality neighborhood that will add lasting value to our master planned community."

"Offering the very best in lifestyle and amenities is an important part of how we make land selections and plan our developments," notes Matt Neumann, Principal of Neumann Developments, Inc., "We are excited to unveil the neighborhood plans and start developing this community."

Neumann Developments will offer a Preferred Builder Program in these new neighborhoods. Buyers will be able to choose from a number of reputable homebuilders to design and build their home or purchase a home and lot package. Select lots will also allow future homeowners the option to purchase a home site and build with the builder of their choice.
