NEWS RELEASE FOR IMMEDIATE RELEASE

Neumann Developments, Inc. to Break Ground on a Master Planned Community in Summit.

Summit, WI – (May 31, 2017) – On Wednesday, May 31st at 4:00 p.m., Neumann Developments, Inc. along with the Village of Summit and the Development's Preferred Builders, will hold a ground breaking ceremony at Lake Country Village. This Master Planned Community includes four distinct neighborhoods; Lake Country Village will feature three unique single family neighborhoods with approximately 300 home sites and Interlaken Village will offer 26 estate sized homesites. Neumann Developments, Inc. will begin construction on the first phase which includes The Residences at Lake Country Village offering 43 homesites, The Estates at Lake Country Village offering 24 homesites and Interlaken Village offering 12 homesites.

"Offering the very best in lifestyle, amenities and green space is an important part of how we determine land selections and plan our developments," states Matt Neumann, Principal of Neumann Companies. "We are excited to break ground at this great location and start developing these communities."

Neumann Developments, Inc. completed this land acquisition of approximately 250 acres in Oconomowoc's Pabst Farms in early 2017. Lake Country Village and Interlaken Village are currently being developed at this location and both neighborhoods will be within the Pabst Farms master planned community.

Bill Niemann, Executive Vice President of Pabst Farms Development says, "Pabst Farms Development is pleased to be working with Neumann Developments on the next phase of our residential development. We have worked with Neumann in the past and firmly believe that they are a good fit for our vision. They are devoted to preserving permanent green space and building a quality neighborhood that will add lasting value to our master planned community."

Neumann Developments, Inc. is partnering with a team of area single-family home builders to create a Preferred Builder Program in these new neighborhoods. The Preferred Builders are all members of the Metropolitan Builders Association. Buyers will be able to choose from a number of reputable home builders to design and build their home or purchase a home and lot package.

This Master Planned Community will feature at least 110 acres of permanently preserved parks and open space for residents to enjoy. Neighborhood amenities will include five miles of walking and bicycle trails, children's play areas, outdoor swimming pools, fire pits, sports courts and community gardens just to name a few.

Lake Country Village and Interlaken Village are located just north of Interstate 94 at the Sawyer Road exit, serviced by the Oconomowoc School District, close to shopping and the YMCA at Pabst Farms.
